

Hold On

Written by Amanda Walther

I know that you're coming
I can see down the road I'm traveling
And I'm not alone
Love is calling
Over the rolling hills and I'm running
To get to you

And when we're standing face to face
I long to hear you say

Hold on
I got you, you don't have to be so strong
Hold on
You don't have to do this alone

I know it won't be easy
Loving completely
The best and worst that's in me
But I won't let you down
I am in motion
I'm ready to lean in and let my heart be open
I'm ready for you

And when we're standing face to face
I know I'll hear you say

Hold on
I got you, you don't have to be so strong
Hold on
You don't have to do this alone
Hold on
I got you, you don't have to be so strong
Hold on
You don't have to do this alone

I know that you're coming
I can see down the road I'm traveling
And I'm not alone
