

# Safe Place

Written by Amanda Walther  
(Little Cat Music inc/ Sony Music Publishing Canada)

I like the way you look  
When no one's looking  
I like the way your hair falls in your face  
Hey maybe we should get  
Something cooking  
Hey maybe we should just try a taste

Everybody wants the same thing, baby  
We're all just looking for a safe place

Hey, this could be our day  
Hey, baby won't you stay  
Hey, I could be your safe place

There's something in your eyes  
I just can't fight it  
You pull me in and you draw me near  
No need to hesitate  
No need to hide it  
When we could push it into second gear

Everybody wants the same thing, baby  
We're all just looking for a safe place

Hey, this could be our day  
Hey, baby won't you stay  
Hey, I could be your safe place

Everybody wants the same thing, baby  
We're all just looking for a safe place

Hey, this could be our day  
Hey, baby won't you stay  
Hey, I could be your safe place  
Safe place  
Safe place  
Safe place
