

# Salt Water Cures

Written by Amanda Walther

Salt water cures everything  
And candy is for traveling  
You made me believe you had done it all before  
I never thought you wanted more

You always take the small roads  
'Cuz it's prettier that way  
And when somebody's crying  
You know the perfect thing to say  
You're the woman I reply on  
I hear you everyday  
And I hope you take the long way home

You're such a good mother  
And a Grandmother too  
I hope someday I'll be just like you  
And when I get there  
I'll have salt water cures  
Just like yours

You always take the small roads  
'Cuz it's prettier that way  
And when somebody's crying  
You know the perfect thing to say  
You're the woman I reply on  
I hear you everyday  
And I hope you take the long way home
