

She's Filling My Heart

Written by Amanda Walther

She's filling my heart with beauty
Making everything I do shine
I can feel it pulsing through me
Now I know
I'm going to be fine

Breath deep
Don't forget to count to five
This bliss
Is all I need to survive
My heart is like a hummingbird
Everything else is turning blurry

She's filling my heart with beauty
Making everything I do shine
I can feel it pulsing through me
Now I know
I'm going to be fine

Breath deep
Don't forget to count to five
Breath deep
Don't forget to count to five
