

Soft Beneath My Feet

Written by Amanda Walther
(Little Cat Music inc / Sony Music Publishing Canada)

Summer in the green
Soft beneath my feet
Wishing for another kiss
Before we end the dream
I was yours right from the start
Nothing last forever
Like a broken heart

No amount of time
Can get you off my mind
You've changed the way I see myself
There's no leaving you behind
Deeply you have made your mark
Nothing lasts forever
Like a broken heart

Standing in the rain
Getting washed away
A friendly face, a coffee shop
You look like you're okay
Laughing as I fall apart
Nothing lasts forever
Like a broken heart
My broken heart

I was yours right from the start
Nothing last forever
Like a broken heart
My broken heart
