

Sweet Heat

Written by Amanda Walther

I've alone plenty of nights
Yeah it's alright
I can get by
But baby tonight you're breaking me out
And making me melt
Like I've never felt before

Sweet Heat
Set me on fire
Touch me
Feel my desire
Everything you do
Is making my higher
Sweet Heat

Feeling the sweat
Sliding down slow
There's nothing to hold
But I won't let go

Sweet Heat
Set me on fire
Touch me
Feel my desire
Everything you do
Is making my higher
Sweet Heat
(I'm burning up for you)
Sweet Heat
(release me set me free)
Set me on fire
Touch me
Feel my desire
Everything you do
Is making my higher
Sweet Heat
