

Wrapping Your Head Around Me

Written by Amanda Walther

Wrapping your head around me
I want forever to be
You can perceive things
That no one else sees
Wrapping your head around me

I want you all of the time
You're always here in my mind
I look at pictures
And know that you're mine
I want you all of the time

All of the earth feels the same
Even the trees call your name
I think I'm crying
But it's only the rain
All of the earth feels the same

Wrapping your head around me
I want forever to be
You can perceive things
That no one else sees
Wrapping your head around me
